

KNOW YOUR RIGHTS

What to Say and Do If You Are Stopped by Law Enforcement

A Public Forum

Tuesday, June 24 - 7:00 p.m.

El Mercado (413 Main St., Holyoke)

Free on-site childcare provided.

Do you know your rights if you are stopped by the police? If a police officer asks you for identity, do you have to give it to the officer? Can the officer take a photo of you? Can the officer search your car without permission?

This forum will inform people of their legal rights and give them a sense of the “big picture” when it comes to police harassment. Local attorneys Luke Ryan and Bill Newman will be present to explain individuals’ rights in relation to law enforcement. A representative from Western Mass. Copwatch will also speak.
